EDUCATION

Jalpaiguri Government Engineering College

Information Technology CGPA - 8.95(3rd Sem)

2020-2024(Expected)

Jalpaiguri, West bengal

Gorabazar Ishwar Chandra Institution

Higher Secondary Education Percentage - 95%

2016-2020

Berhampore, West bengal

PROJECTS

React Ecom App | React,Redux,JS,NPM

July 2022

- Developed an Ecommerce app with React and Redux , where user can **add, search** items smoothly. Used Redux Persist NPM so that added items still can be loaded after window reload. Created an Add To Cart button so that user can add their fav items in their cart list.

Budget-Buddy-Chrome-Extension | HTML, CSS, JS, Jquery

June 2022

- Created a **Chrome Extension** which keeps track of user's spending and managing by setting cost limit.
- Used HTML,CSS for frontend styling and JS as backend language. Here user can set cost, change , reset cost limit and value. Alerts when user crosses the set limit.

Note Tracking Webpage | HTML,CSS,Javascript,Bootstrap

April 2021

- Developed a fully responsive note tracking webpage , where user can **add, delete** tasks smoothly. Added **search button** too, so that user can easily search added items.

COURSEWORK / SKILLS

- Data Structures & Algorithms
- OOPS Concept
- Web Development
- Computer Organisation Architecture

TECHNICAL SKILLS

Languages: C++, C, Java, Typescript, Javascript

Developer Tools: VS Code,GitHub,Postman, Vercel, Netlify

Technologies/Frameworks: Git, NodeJS, ExpressJS,Jquery,Bootstrap, ReactJS

CODING PROFILE

Codechef: Max Ratings -**2011(5 star)** ||*profile – debo03*

Leetcode: **500+ sloved problems** ||*profile – debo03*

Codeforces: Max Ratings -**1302(Pupil)** **1100+** problems sloved ||*profile – starboy03*

GFG: problem solved -**300+** ||*profile – debapriya*

ACHIEVEMENTS

- 5 star** coder with **maximum rating of 2011** at CodeChef . Secured a global rank of **280** in March Lunchtime 2022 Division 2.
- Secured a global rank of **417** in Codeforces Round 755 out of 8900+ contestant. Solved 1100+ problems on codeforces.
- Qualified first 2 rounds in **Fackbook HackerCup(2826th place in Round 2)** and **Codechef SnackDown**.Participated in all the Google Kickstart Rounds from Round C to Round H in 2021 ,best Rank **1518** in Round G,2021.
- Solved **500+** problems on Leetcode and **300+** problems on GFG .
- Solved More than **2000+** Problems across all Online Coding judge.

LEADERSHIP / EXTRACURRICULAR

GDSC JGEC

2021-2022

DSA Core Team

- Member of DSA core team . Used to help peers to learn data structure and algorithm.
- Helps them by providing proper resource, DSA roadmap, guidance and by taking classes on algo.
